**NO ADMISSION FEE TO CONCERT** – The Vermont MIDI Project Board of Directors has decided that we should aim for a large audience and donations rather than charge for admission. There is an invitation at the website you may download for family, friends, school officials and other important community members.

**LARGE AUDIENCE SUPPORTS THE STUDENTS** – Come celebrate the accomplishments of our young composers, grades 4 – 12. Invite others to come with you. Posters are available for printing at the Opus 20 webpage as well. You can print this off yourself or take to a local copy shop and distribute.

**STRONG LOCAL PR** brings attention to your talented young composers. It also helps build interest and sustainability for the Vermont MIDI Project. Please contact your local media to tell them about Opus 20 and your young composer who has been selected for this honor. They love photos!

**ADS and SPONSORSHIPS** – This concert costs about \$6500 to produce and doesn't cover the total costs of professional composer mentoring in the time preceding the Opus event. Please help. You may donate on the home page ([www.vtmidi.org](http://www.vtmidi.org)) with credit cards or PayPal. Every small donation adds up. Ask local arts patrons to help support your student composers and continue this amazing opportunity.

**QUESTIONS**– Ask Project Coordinator, Sandi MacLeod – [sandi@vtmidi.org](mailto:sandi@vtmidi.org) – 802–879–0065 (M) 802–578–8580
